Presentations by Members of the University of Toronto Network for Innovation in Clinical Research (NICR) at the American College of Cardiology Scientific Session March 14-16, 2015, San Diego, California

Saturday, March 14, 2015
3:45-4:30pm: SESSION 1163M - Environmental Triggers and Markers of Risk: Acute Coronary Syndromes Moderated Poster Theater - Poster Hall B1
   • (4:15 – 4:25pm) – Dr. Jacob Udell: “Prognostic Utility of Fibroblast Growth Factor-23 After an Acute Coronary Syndrome”

Sunday, March 15, 2015
8:00am – 6:00pm: SESSION 112 - Cardiovascular Update for the Clinician: A Symposium by Dr. Valentin Fuster at ACC.15 – Room 20A
   • (11:45am - 12:00pm) – Dr. Michael Farkouh: “The Molecular and Clinical Link Between Obesity and Diabetes: The Rapid Evolution and Positive Results of Bariatric Surgery”

Monday, March 16, 2015
8:00 - 9:30am: SESSION 680 - Diabetes, Metabolism, Hypertension, and Heart Failure – Room 5A
   • (8:30 - 8:45am) – Dr. John Floras: “Sleep apnea and heart failure”

10:45am – 12:15pm: SESSION 912 - Highlighted Original Research: Acute Coronary Syndromes and the Year in Review – Room 20A
   • (8:30 - 8:45am) – Dr. Jacob Udell: “Socioeconomic Disparities and Quality of In-Hospital Care After Myocardial Infarction in the National Cardiovascular Data Registry”

12:30 - 1:45pm: SESSION 692 - Logistical Challenges in STEMI - Room 20A
   • (12:54 - 12:59pm) – Dr. Shaun Goodman: “Ship and Drip (Facilitated Transfer to PCI Hospital)”

ABSTRACTS

1148-246 - Estimating the Lifetime Clinical Benefits of Apixaban versus Aspirin in the Low Risk Non-Valvular Atrial Fibrillation Patients in the US: How May Results from AVERROES Help Improve Patient Care?
Gregory Y. H. Lip, Tereza Lanitis, Jack Mardekian, Thitima Kongnakorn, Hemant Phatak, Paul Dorian, Uni of Birmingham Centre for Cardiovascular Sciences, City Hospital, Birmingham, United Kingdom (Presented by Gregory Y. H. Lip on Saturday, March 14th from 3:45-4:30pm in Poster Hall B1)

1148-247 - Underuse of Full Dose Factor Xa Inhibition in Atrial Fibrillation: Insight from the SPRINT-AF Registry
Milan Gupta, Narendra Singh, Michelle Tsigoulis, Mahesh Kajil, Jafna Cox, Paul Dorian, G. B. John Mancini, Andrew C.t. Ha, CCRN, Brampton, Canada (Presented by Milan Gupta on Saturday, March 14th from 3:45-4:30pm in Poster Hall B1)
