

9th Annual
LANDMARK
LECTURE SERIES

Featuring: **Douglas Zipes, MD**

Distinguished Professor, Professor Emeritus of Medicine,
Pharmacology and Toxicology,
Emeritus Director of the Division of Cardiology and
Krannert Institute of Cardiology,
Indiana University School of Medicine

Topic:

**BIRTH AND MATURATION
OF CARDIAC
ELECTROPHYSIOLOGY
AS A SPECIALITY**

Monday, October 5, 2015 | 6:00 p.m. – 8:30 p.m.

The Allan Waters Family Auditorium
Li Ka Shing Knowledge Institute of St. Michael's Hospital
209 Victoria Street, Toronto, ON

St. Michael's
Inspired Care. Inspiring Science.

REGISTRATION

**There is no registration fee to attend
this lecture. Registration is to be completed
online at: www.eply.com/LandmarkLecture**

For questions please contact Sharm Simon
at 289-232-4229 or slsolutions@rogers.com

Limited seating available, please reserve early!

We're proud to recognize the support of:

BRONZE:

Past Lecturers:

2006

Salim Yusuf,
DPhil, FRCPC, FRSC

2007

Eugene Braunwald,
MD, MD (hon), Sc.D. (hon), FRCP

2008

Steven E. Nissen,
MD, MACC

2009

Louis J. Ignarro,
PhD

2010

Valentin Fuster,
MD, PhD

2011

Robert M. Califf,
MD

2012

Lars Wallentin,
MD, PhD

2013

Paul M. Ridker,
MD, MPH, FACC, FAHA

Featuring: Douglas Zipes, MD

Douglas P. Zipes graduated Dartmouth College and Harvard Medical School, both cum laude, and trained at Duke University Medical Center. He joined Indiana University in 1970, became Professor of Medicine in 1976, Distinguished Professor in 1994, and Director of Cardiology and the Krannert Institute of Cardiology from 1995 to 2004.

He is past president of: Indianapolis Citizen's Academy of the Federal Bureau of Investigation (FBI); Indianapolis Opera; Cardiac Electrophysiology Society; Association of University Cardiologists; NASPE/Heart Rhythm Society; American College of Cardiology; and past chairman of the American Board of Internal Medicine.

He is founding editor of: the Journal of Cardiovascular Electrophysiology, Cardiology in Review, Contemporary Treatments in Cardiology, HeartRhythm, and PracticeUpdate/Cardiology. He is past editor of Progress in Cardiology, and present editor of Trends in Cardiovascular Medicine. He has published over 800 articles and 14 textbooks with multiple editions.

Awards include: Distinguished Achievement Award, Herrick Award, and Cor Vitae Award from the American Heart Association; Distinguished Scientist Award from both the Heart Rhythm Society and the American College of Cardiology; "Sagamore of the Wabash," highest honor for an Indiana citizen from the governor; tribute about him read into the U.S. Congressional Record by the Hon. Baron P. Hill, House of Representatives; Distinguished Alumnus Award, Duke University Medical Alumni Association; Presidential Citation, American College of Cardiology; President's Medal, Indiana University; President's Award, Heart Rhythm Society; Gold Medal, European Society of Cardiology; Pioneer in Pacing and Electrophysiology, Heart Rhythm Society.

He is a fellow of: Heart Rhythm Society, American Heart Association, European Society of Cardiology; Master of the American College of Physicians and American College of Cardiology; he is a member of the American Society for Clinical Investigation and the Association of American Physicians; and Honorary Member of the Cardiac Society of Australia and New Zealand, Argentine Society of Cardiology, Hungarian Society of Cardiology and Israel Heart Society.

Endowed are: Douglas P. Zipes Research Prize, Dartmouth Medical School; Medtronic Zipes Chair in Cardiology, Indiana University School of Medicine; Joan and Douglas Zipes Visiting Professorship, Indiana University School of Medicine; Douglas P. Zipes, MD Lectureship, Heart Rhythm Society; the Douglas P. Zipes, MD Distinguished Young Scientist Award, American College of Cardiology; and the Joan and Douglas Zipes Publication of the Year Award of the Heart Rhythm Society.

He writes a regular health column for the Saturday Evening Post; has published a short story, "Stolen Hearts;" a travel story, "Into Africa;" and two novels, "The Black Widows" and "Ripples in Opperman's Pond."

Agenda

Planning Committee:

Subodh Verma, MD, PhD, FRCSC, FAHA

Chair

Cardiac Surgeon, St. Michael's Hospital
Professor of Surgery and Pharmacology & Toxicology,
University of Toronto
Canada Research Chair in Atherosclerosis

Paul Dorian, MD, MSc, FRCPC, FHRS

Co-Chair

Dexter H.C. Man Chair in Cardiology
Department Director, Division of Cardiology,
Staff Cardiac Electrophysiologist, St. Michael's Hospital
Professor of Medicine, Divisions of Cardiology
and Clinical Pharmacology, University of Toronto

Michael E. Farkouh, MD, MSc, FRCPC, FACC, FAHA

Peter Munk Chair in Multinational Clinical Trials,
Peter Munk Cardiac Centre
Director, Heart and Stroke Richard Lewar
Centre of Excellence,
University of Toronto Professor of Medicine,
University of Toronto

Mohammed Al-Omran, MD, MSc, FRCSC

Head, Division of Vascular Surgery,
St. Michael's Hospital
Professor of Surgery, University of Toronto

On behalf of the Division of Cardiovascular Surgery, St. Michael's Hospital

Topic: BIRTH AND MATURATION OF CARDIAC ELECTROPHYSIOLOGY AS A SPECIALITY

Monday, October 5, 2015

6:00 pm **Registration and Reception**

7:00 pm **Welcoming Comments**
Dr. Subodh Verma

Introduction of Landmark Lecturer
Dr. Paul Dorian

Landmark Lecture
Dr. Douglas Zipes

8:30 pm **Concluding Comments**
