Join Us for the CCS/HSRLCE/BI-Lilly Cardiometabolic Research Awards!

The Canadian Cardiovascular Society (CCS), Heart & Stroke Richard Lewar Centre of Excellence (HSRLCE) and the Boehringer Ingelheim-Lilly Alliance have collaboratively created the CCS/HSRLCE/BI-Lilly-Cardiometabolic Research Award.

This Award provides grants for 2 research projects on topics related to advancing knowledge or improving the care of patients with cardiometabolic disease.

Be there to help reward creativity and innovation in patient care.

Date: Thursday, October 22, 2020

Time: 18:45 – 20:15 EDT

Where: Remo Platform

This event has a maximum capacity of 500 guests.

RSVP here today!
